Calculus Guide for Returning Northwestern Students

I am a returning Northwestern student.

I have completed a Northwestern calculus course numbered 212–0 or above with a grade C- or better.

Consult the table on Page 2 of this document.

Questions?

Contact Dr. Aaron Peterson,
Director of Calculus at
calculus@math.northwestern.edu.

I intend to take my first Northwestern calculus course during the 2019-2020 academic year.

Complete the

Mathematics Placement Examination (even if you completed the 2018 exam).

Request access to the examination from the Director of Calculus (calculus@northwestern.edu).

Then follow the

COURSE RECOMMENDATIONS FOR FIRST-YEAR STUDENTS

on the First-Year Focus page of the Department of Mathematics website.

I am a Class of 2023 student who intends to take a calculus course at Northwestern.

Complete the

Mathematics Placement Examination.

By June 1 you will receive an email invitation to join a Canvas page to take the examination. You must complete the examination by July 31. Full instructions will be provided on the Canvas page.

Then follow the

COURSE RECOMMENDATIONS FOR FIRST-YEAR STUDENTS

on the First-Year Focus page of the Department of Mathematics website.

Students Who Have Completed a Northwestern Calculus Course

If you have completed at least one calculus course at Northwestern with a grade of C- or better, then consult the table below to determine the next appropriate calculus course for you.

Most students	
who last completed	should take
MATH 212-0	MATH 218-2
MATH 213-0	MATH 218-3
	or MATH 214-0 (only in Fall 2019)
MATH 214-0	MATH 228-1 (McCormick students)
	or MATH 230-1 (non-McCormick students)
MATH 220-0	MATH 220-2
MATH 224-0	MATH 228-1 (McCormick students)
	or MATH 230-1 (non-McCormick students)
MATH 230-0	MATH 228-2 (McCormick students)
	or MATH 230-2 (non-McCormick students)
	or MATH 234-0 (only in Fall 2019 and for non-McCormick students)

Consult your academic adviser before registering.
